December 2024

Dear Resident

RE: DEVELOPMENT OF SITE OFF BUCKNOLE HILL ROAD (UPPER COLY VALLEY)

We have been appointed as Principal Contractor to develop the site on Bucknole Hill Road, constructing six dwellings on behalf of Teign Housing.

We have already completed some pre-commencement planning conditions including tree protection fencing and the removal of hedgerow to form the new entrance.

It is anticipated that there will be a full presence on site from early in January 2025, with a plan to complete the development in early 2026. We will endeavour to cause minimal inconvenience to the surrounding residents during our time onsite, however, there will be an increase in traffic and heavy plant within the area. For your own and your family's safety please remember that building sites are dangerous places; access to this site will be restricted to authorised personnel only.

Should you have any concerns regarding these works please do not hesitate to contact head office on 01803 862 961.

Thanking you in anticipation of your co-operation in this matter.

Yours sincerely

Coyde Construction Ltd
